

## Tradeweb EU B.V. Liquidity Taker Fee Schedule

This fee schedule is effective from the date that the Tradeweb EU B.V. MTF makes trading available to participants, which is subject to regulatory approval. This fee schedule represents the monthly charge for access to the Tradeweb MTF Systems and are applied at an institution level (“User”)<sup>1</sup> based on the number of individual persons enabled with username and password to access the Tradeweb MTF Systems<sup>2</sup>.

Tradeable products	Access Fee
European Government Bonds, Japanese Government Bonds and Australian Government Bonds	The first two persons will be free of charge and thereafter User shall pay a monthly access fee of \$240 per person up to a maximum of \$1200 per month for these products.
US Treasuries	Users shall pay either a monthly access fee of \$240 per person (which is subject to a maximum of \$1200 per month) or an execution fee based on traded volume.
Convertible Bonds Credit (EU & US) European Credit Default Swaps European Equity Options European Repo Exchange Traded Funds (EU & US) Interest Rates Swaps Pfandbriefe / Covered bonds Supra & Euro Agency Bonds Mortgage Backed Securities US Agencies US Credit Default Swaps	No access fees.

Users may add or remove persons with one month notice.

For new persons, the first 60 days of use are free.

<sup>1</sup> Users which are part of a corporate group where multiple legal entities have access to the Tradeweb MTF System(s) can be treated on request as one “User” for the purposes of this Fee Schedule.

<sup>2</sup> Users who have access to the UK MTF and also the EU MTF shall only pay access fees for one MTF.

Except where otherwise indicated below, these fees shall be monthly charges on a per-person basis for each such person that is enabled with a username and password.

The first 30 days of use are free. After the free service, fees are:
